RE: 7/6/2017 FOIA request

Dear [REDACTED]

In response to your July 6, 2017 FOIA request, enclosed, please find enclosed 126 copies of public records in the possession of Horry County Government. These records are provided in an abundance of caution, in that each may or may not demonstrate violation by Skydive Myrtle Beach of Horry County Department of Airports Minimum Standards, as that assessment has not been undertaken. In addition, actual costs ended up exceeding the estimated and paid for amount of \$88.50; however, the County will waive the difference.

Sincerely,

[REDACTED]

Arrigo P. Carotti
